New Hampshire Wildlife Federation

2019 Affiliate Delegates and Alternates to NHWF

IMPORTANT INFORMATION:

Each club affiliate is entitled to have two delegates participate in and vote on issues and matters before the NHWF at the annual meeting and at all NHWF general meetings. Only the persons named on this sheet may represent your club and vote on behalf of your club at these meetings. This sheet will serve as the official voting delegate record for your club. It will be the club's responsibility to notify the NHWF when it replaces one or more of the named individuals on this page with another member of the club. E-Mail addresses are a quick easy way for us to communicate with your delegates when there are important legislative and regulatory issues which we need to notify you about. If your delegates have e-mail addresses, please share them with us for this purpose.
